Wonder Walks Backpack

We are excited to share with you that Attic Angel has teamed up with Pheasant Branch Conservancy to offer a new FREE resource to the Attic Angel Community called Wonder Walks Backpack. This backpack will be located at the Attic Angel Place main library and will be available for residents, family and friends to check out and take it with you when you go to Pheasant Branch Conservancy.

The purpose of Wonder Walks Backpacks is to provide engaging materials about the Conservancy to all age groups. Some of the items you will find in the backpack include:

- Six different exploration guides
- Resources and mini lessons/activities
- Guest sign-in books
- Notepads
- Magnifying glass
- Dip nets
- Bird identification books

If you are interested in utilizing this backpack, stop by the AAP library and follow these steps:

1. Locate the backpack hanging on the wall under the window
2. Sign it out in the “Library Material Check Out Binder”
3. Sanitize hands prior to utilizing the tools inside the backpack
4. Prior to returning it back to the library follow the cleaning instructions that are provided in the backpack
5. Sign it back in on the “Library Material Check Out Binder”
6. Hang back up for the next person

Please be mindful that we only have one backpack at this time, so only check it out for the time you need it. As the program grows we may have opportunities to get more backpacks for everyone to join.

You can find more information about Pheasant Branch Conservancy or the Wonder Walk Backpacks at: https://pheasantbranch.org/
Another Feather in the Cap

The Wisconsin Broadcasters Association thinks our TV ad about The House That Angels Built is a statewide winner. We do too!

Attic Angel Community's 30-second TV spot borrows from the children’s rhyme *The House That Jack Built*. It was recognized this month with a First Place Award from the Wisconsin Broadcasters Association as best commercial among all those produced by the state's "medium market" television stations. Earlier this spring, the same ad received a Silver Award from the Madison Chapter of the American Advertising Federation, honoring excellence in advertising and inspiring the highest creative standards in the industry.

The ad celebrates the genuine care and companionship that marks Attic Angel Community. The ad may be found on [Attic Angel’s website](https://www.youtube.com/watch?v=Ez_T6TwI-E0) and on YouTube at this link (or copy and paste this address into your browser: https://www.youtube.com/watch?v=Ez_T6TwI-E0)

Attic Angel Takes Another Step Toward Going Green!

By Cheryl Miller, COO

Attic Angel is taking one more step toward going green! Our Director of Dining Services, John Kaage has researched and identified several cost effective recyclable products that will be implemented in late May!

In the Arbor Café, if you choose to carry out, you will see the following “to go” containers:

- Recyclable box containers that are easy to close, leak proof and made of compostable board which meets ATTM D6868 composability standards.
- PLA lined “to-go” paperboard soup containers. PLA is a resin made from cornstarch, which is used as lining in paper containers as an impermeable liner. It is fully biodegradable and can be commercially composted.
- PET (polyethylene Terephthalate) cups, parfait containers and lids. PET is recyclable and highly sustainable. It is the most recycled plastic in the US and worldwide. PET products can be recycled again and again.

Throughout our dining areas you will also see napkins made from 100% recycled paper. John will be implementing the use of Tork Xpressnap dispensers with one at a time dispensing so you only touch the napkin you are going to use. Not only is this more sanitary, but also reduces napkin use.
The AAPP Board of Directors held their first meeting for 2022-23 on May 12 welcoming Kristen Peterson as the new Vice Chair for the Board. Kristen has been an Angel volunteer since 2014 and has also served for three years on the Association Board from 2019-2022. The AAPP Board also thanked retiring member Jean Mortenson for her nine years of service. Mary Lou Rashke took over as Chair of the Board, replacing Andrea Henrich who will remain on the Board as a Member at Large. Bob Zellers will continue as the Treasurer and Rob Stroud will continue as the Secretary. Rounding out the Board are the Members at Large Ann Athas, Diane Hornung, Craig Hungerford, Delwyn Kean, and Linda Taylor.

Attic Angel Brat Fest!

Exciting news! On June 6th from 10am-1pm Attic Angel will be having our campus wide Brat Fest! We will be grilling out on the Garden terrace Patio adjacent to the Main Dining Room. There will be beer braised brats with condiments, coleslaw, potato chips, and fresh citrus and berry water. This a free event for all residents and staff at Attic Angel! We will have tables set up outside for dining or you may pick up your meal to go. Thank you to Metcalfe’s for their generous donation in making this Brat Fest event happen!

Upcoming Café Offerings

We will be expanding the offerings in the Arbor Café starting June 21st! Implementation of a new breakfast menu with daily specials and the addition of Grab n Go items, home-made sandwiches and wraps, fresh garden salads, yogurt parfaits, fresh fruit cups, an array of fresh baked desserts and beverages. Selection will be varied and changed daily.

Beginning June 28th we will add a new lunch menu featuring fresh made warm sandwiches and a build your own salad bar with fresh seasonal produce, meats, cheese and an assortment of toppings. Fresh homemade soups, daily specials, assorted candies, and snack chips and whatever else we can think of. Come join us and watch for more fun events and changes coming soon!

The office of the AAP Community Chaplain, Kristin, is moving! Starting May 12, you can find Chaplain Kristin in the office next to the Art Studio, just around the corner from Reception. Her email (Kristin.rice@atticangel.org) and phone (x8865) will remain the same. Chaplain Kristin is here to provide supportive listening and spiritual (not just religious) support to all residents and staff alike. Feel free to pop your head in and say hi!

Chaplain Kristin is available from 10am-4:30pm on Mondays, Tuesdays, Wednesdays, and Fridays, and 9am-3:30pm on Thursdays.

Please Note! Attic Angel Brat Fest!

Exciting news! On June 6th from 10am-1pm Attic Angel will be having our campus wide Brat Fest! We will be grilling out on the Garden terrace Patio adjacent to the Main Dining Room.
