Getting Ready for the September 2022 Classic Clothing Sale

By Deb Cohn, Co-Chair

We are looking forward to September’s Classic Clothing Sale! We anticipate that it will bring with it a greater sense of normalcy with masks being optional and no restrictions on the number of shoppers entering the Association Building at a time. The 2022 sale will feature new clothes from Chauette in Middleton and Mainstream Boutique in Madison. Proceeds from this sale will benefit not only the Attic Angel Resident Aid Fund but also Attic Angel Community Grants for Collaborative Efforts Helping Families with School-age Children Address Housing Insecurity.

Thank you to those who have already donated items for this year’s sale. We continue to encourage your donations of women’s gently used, clean and stylish clothes, shoes and accessories until Friday, September 2. Please save any donations after that date for the 2023 Classic Clothing Sale. We are especially in need of women’s winter coats and jackets. Shopping bags for the sale are welcome at any time.

This year’s pre-sale is once again open to all Angels, Attic Angel staff members and residents and is scheduled for Thursday, September 15 from 2:00 p.m. to 4:00 p.m. We will announce the number of items that shoppers may purchase during the pre-sale in an email blast in early September. The sale will be open to the public on Friday, September 16 from 9:00 a.m. to 4:00 p.m. and again on Saturday, September 17 from 9:00 a.m. to 1:00 p.m. with all remaining items for sale at half price that day.

AAPP Board Highlights

The AAPP Board meeting on August 11 started with a discussion of the external audit presentation done last month. The presentation provided an executive overview of the audit results and reported on industry trends. The Board learned of plans for a residential satisfaction survey for Prairie Point residents conducted by WeCare Connect. Additionally, there will be an intensive interest survey done to help with long-range planning. This survey would go beyond Prairie Point to include all community members, Angels, and other interested parties. The Board discussed several items related to the Donuts with Derek meeting, the Operations Report, and the replacement reserve review; and identified areas to improve our communication and processes. The next board meeting is scheduled for November 10.
Meet Kathy, our new Occupational Therapist

By Lisa Hill, PTA, Director of Outpatient Services

Kathy graduated from UW-Madison in 1988 and has enjoyed working as an Occupational Therapist in the Madison area the last 33 years. She has a special interest in working with older adults and earned a Certificate in Gerontology and a Certificate in Mental Health & Older Adults. Also, she has a strong interest in Dementia-Care and has taken many courses to advance her knowledge in this area. In her free time, she enjoys spending time with her husband and 2 cats, hiking in WI, and sewing. Kathy grew up near Fargo, ND in a small town in Minnesota.
