Attic Angel – Employee Benefits Summary 2024

Welcome to Attic Angel Community! We are excited that you have decided to join our organization and can't wait for you to get started with your new role!

*Our goal at Attic Angel is to ensure that **YOU** have the best employee experience with us. Please look below for our benefits summary that is provided to all employees!*

Tuition Reimbursement - Please contact HR for details!

- Full-Time Employees eligible: Receive up to \$3,000/fiscal year (April-March) for work- related courses/certifications.
- Part-Time employees eligible: prorated based on FTE

Employee Assistance Program – We understand – life can get tough. At Attic Angel, we have an Employee Assistant Program that provides free and confidential resources and help. More information will be provided during orientation.

CNA Tuition Assistance – Interested in obtaining a CNA? This program can help! Attic Angel will pay for the course, exam and fees. Employees will also be compensated at their current base hourly rate for hours spent in training that overlap with their normal scheduled work time. Please contact HR for details.

Inservices – We want you to make sure that you are provided ongoing training and education. Inservices help with that! Meetings and videos will be available regularly to provide ongoing training and education to employees.

Service Recognition - Service Recognition pins and gifts are awarded as an appreciation of service and loyalty to the organization at annual recognition ceremonies.

Employee Appreciation - The Employee Appreciation Committee celebrates Attic Angel employees by putting together quarterly recognition events and activities for all staff

Employee Wellness Program - The program offers education, on-site fitness classes, and equipment, incentives, and resources for interested employees. Fitness equipment is available for employees to use 24/7, located across from the Café.
